### General Information

|                      |                                                  |
|----------------------|--------------------------------------------------|
| SKU                  | 245662                                           |
| EAN                  | 4751029890443                                    |
| Manufacturer Code    | 02007                                            |
| Brand                | THORGEON                                         |
| Manufacturer Name    | PIR Motion Sensor 6m max800W IP20 white THORGEON |
| Full box quantity    | 50                                               |
| Budgetlight warranty | 2 Years                                          |

### Technical Information

|                       |                    |
|-----------------------|--------------------|
| Average Lifetime (h)  | 0                  |
| IP-rating             | IP20               |
| Emergency Lighting    | No Emergency Unit  |
| Mounting Method       | Recessed           |
| Housing               | Thermoplastic      |
| Product Type Category | Accessory - Sensor |

### Dimensions

|               |    |
|---------------|----|
| Height (mm)   | 76 |
| Diameter (mm) | 76 |

## Sensor Information

---

|                                 |                |
|---------------------------------|----------------|
| Type of sensor                  | Motion Sensor  |
| Sensor Reach (m)                | 6m             |
| Sensor Detection Angle (degree) | 360            |
| Sensor Time Setting             | 10 sec - 7 min |

## Why Budgetlight?

Guaranteed **budget prices**

Up to **7 years warranty**

**Easy** return process

Long-life **LED solutions**
